Executive/Legislative Updates

• NEW 5.26.20 Governor Greg Abbott announced and issued a proclamation expanding additional services and activities that can open under Phase II.
  o Beginning Friday, May 29th, water parks can open but must limit their occupancy to 25% of normal operating limits. Components of these water parks that have video arcades must remain closed.
  o Starting Sunday, May 31st, recreational sports programs for adults can resume, but games and similar competitions may not begin until June 15th. Driver education programs can resume operations immediately.
  o For immediate opening, food-court dining areas within shopping malls, but malls are encouraged to designate one or more individuals who are responsible for ensuring health and safety practices are followed, including: limiting tables to six individuals; maintaining a six-feet distance between individuals sitting at different tables; cleaning and disinfecting tables between uses; and ensuring no condiments or other items are left on tables between customer uses.

• NEW 5.22.20 Governor Greg Abbott announced extensions to payment deadline for certain employers.
  o The Texas Workforce Commission (TWC) has extended payment deadlines for designated reimbursing employers that are required to pay a share of unemployment benefits.
  o Designated reimbursing employers include non-profits, local governments, school districts and other qualifying employers who reimburse TWC for the
full amount of unemployment benefits to be paid to eligible former employees.

- **NEW 5.22.20** Governor Abbott issues executive order (GA-25) suspending *in-person visitations in county and municipal jails.*
  - This restriction does not apply to visitation by an attorney meeting with a client or a religious leader or member of the clergy. The Governor previously directed state prisons, jails, and juvenile justice facilities to restrict visitation *upon issuing his COVID-19 disaster declaration.* This executive order adds another layer of defense to contain COVID-19 hot spots, prevent community spread, and protect staff and inmates.
