

Texas Senate District **2**

The Honorable
Bob Hall

2018 TEXAS OIL & NATURAL GAS VITAL STATISTICS

Dear Senator Hall,

The Texas Oil & Gas Association (TXOGA) appreciates the role you have in maintaining the State's economic strength. Our industry remains a major force in Texas' prosperity and provides significant funding for government statewide. **In fiscal year 2018, we paid over \$14 billion in state and local taxes and state royalties – that's the equivalent of \$38 million each day. And since 2007, we've paid over \$133 billion.** These revenues go towards funding our public schools and universities, building and repairing roads, and supporting first responders. Additionally, the Texas oil and natural gas industry is providing some of the best-paying jobs in Texas, protecting the environment and securing our status as the nation's leader in oil and natural gas production, pipeline miles and refining capacity. **Economists estimate oil and natural gas represents 29% of Texas' Gross State Product.**

TXOGA offers the following statistics that pertain to your district for 2018. If you would like additional information, please contact us at **(512) 478-6631** or visit our website at **www.txoga.org**. We thank you for your leadership and look forward to working with you in ensuring Texas' long-term economic success.

	Statewide	District
Jobs ¹	348,570	12,346
Wages ¹	\$45.31 billion	\$2.32 billion
School Tax Base, O&G ²	\$101.9 billion	\$1.04 billion
Oil Production Barrels ³	1.4 billion	695,870
Gas Production, MCF ³	8.36 billion	771,785
Oil Production, Value ⁴	\$84.37 billion	\$41.75 million
Gas Production, Value ⁴	\$23.82 billion	\$2.2 billion
Producing Wells ³	243,234	233
Royalty Owners ⁵	600,000	9,162

VITAL STATISTICS

1. Direct employment in 10 oil & gas sectors identified in Fueling the Texas Economy. Jobs and payroll data from Texas Workforce Commission are county-based, and thus, the data includes considerable overlapping (for example, all legislative districts having any territory in Harris County are shown including all of Harris County's employment and payroll).

2. O&G properties, for this table, include mineral-producing properties, pipelines, and natural gas utilities. They exclude other properties such as refineries and petrochemicals.

3. SOURCE: Texas Railroad Commission: Fiscal 2018 production data and number of producing wells.

4. Value of production is calculated as Fiscal 2018 production data times the average price for the year.

5. SOURCE: Texas Royalty Council
